

# On The Road Again

Willie Nelson

**1.** On the road again  
just can't wait to get on the road again  
Life I love is makin' music with my friends  
I can't wait to get on the road again

**2.** On the road again  
Goin' places that I've never been  
Seein' things that I may never see again  
I can't wait to get on the road again

**3.** On the road again  
Like a band of Gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turnin' our way  
And our way is on the road again  
just can't wait to get on the road again  
Life I love is makin' music with my friends  
I can't wait to get on the road again,  
**MUSIC**  
**3+ I can't wait to get on the road again.**
