My best friend

A best friend is the most special treasure in our lives. Among all my friends, Amit is my best friend. He lives in the next building. He is very thin and smaller than the other boys. He has very short brown hair and a naughty smile. I met him in the park while playing with my friends in the evening.

Amit likes drawing and colouring and has won a few art competitions. He is very studious and scores well in all the exams. He is very punctual and a well-mannered boy. He respects teachers and elders. He loves eating chocolates and cakes and always gets into trouble for eating too many. He is very gentle and kind with animals. He likes feeding birds at the park and loves taking care of his pet dog, Rex. I love going to his house. Whenever I go to his house, we play with his pet dog, Rex.

Though naughty, Amit likes learning new things and is curious about things he doesn't understand. He is a good friend and is very helpful. I love spending time with him and hope we remain best friends forever.
